Request and Response

Q. Please could you provide me with information about your organisation's ICT expenditure as detailed in the attached template.

I have tried to find this information in your organisation's published data, but was unable to find the level detail I require.

I fully expect that you may not be able to provide all the information I am looking for. If this is the case, please provide me with **as much information as you can within the template.** For example: you may be able to sub-totals for some categories, or provide information for only for certain years.

Within the response, please include:

- Expenditure from all parts of your organisation (centralised IT and departmental IT);
- As well as your own organisation, expenditure for any subsidiary organisations that fall within the scope of your accounts; and,
- Both revenue (or operating) expenditure and capital expenditure.

If you could input the answers in this template and return to me by email as an attachment, this would be much appreciated. Please return the information in the template **as an Excel (.xlsx) file** - not in another format (e.g. PDF).

Please see attached template as requested at [Appendix 1](#).

If you have any queries about this letter, please contact me. Please remember to quote the reference number above in any future communications
