

PBNI Equality Screening Report October to December 2017

The Probation Board for Northern Ireland (PBNI) wishes to keep our consultees regularly informed about what we are doing to assess the impact of our policies, regarding the promotion of equality of opportunity and good relations.

Please find below details of equality impact screening work carried out by PBNI during the period **October to December 2017**. As you will see there has only been one policy screened during the period.

You can view PBNI's Equality Scheme and Action Plans [here](#). Also on the same web-page you can also find PBNI's 5-year review of Equality Scheme 2012 – 2017.

Policy Equality Screenings

Name of Policy	Brief Description	Outcome
Financial Assistance to Offenders Policy	Payments may be made to offenders for assistance for offenders to travel to supervision or programmes as required by PBNI under the terms of their order/licence.	PBNI has not identified any significant equality concerns in relation to the implementation of this policy. Sufficient mitigation has been factored into the policy to ensure that equality of opportunity is promoted
